Dear Sir or Madam,

We, the *ICS Christian School Founding*, are excited to give you a short update of the most recent developments concerning our upcoming conference.

- **Werner Cloete**, Author of “First Class: The Calling and Impact of a Christian Teacher”, will hold a seminar
- Christian Pälchen will introduce an **excellent German school enrollment test**
- **ICS** will present its cutting-edge pedagogical concept
- and **Big Oak Adventures** has agreed to share its offers with us!

We are also looking forward to hearing back from other companies, such as Faber Castell, Oxford University Press and Q-Ed Enterprises.

We would like to invite you to take advantage of the opportunity that a **unique conference concept** of this kind offers:

We want to establish an **exchange platform** for schools, university students and school founders, giving them the special chance to **learn from you and your experiences!**

Thus, the conference will consist of different **exchange groups and seminars** that will take place during the course of the day. For the seminars **we need your help**: If your school has a school concept, fundraising idea, public relations approach or other experiences that would improve the work of Christian schools, we would like to encourage you to share them with the other participants. It would be a huge blessing for us all! We thank you in advance!

Moreover, we offer a **commissional work table** and a **job fair** for university students and professionals. Here, students, senior experts or specialists (manager, physicians, speech therapists, occupational therapists, etc.) who would like to help Christian schools can get in contact with them.

Furthermore, we also offer an **exhibition platform** for companies that are active in the educational sector.

If you are interested, please remind your colleagues, congregations, students and employees about the **Registration Deadline: 15<sup>th</sup> February 2015\***.
