Proverbs 22,6

Start children off on the way they should go, and even when they are old they will not turn from it.

Statement of the World Evangelical Alliance

We believe

... in the Holy Scriptures as originally given by God, divinely inspired, infallible, entirely trustworthy; and the supreme authority in all matters of faith and conduct...

One God , eternally existent in three persons, Father, Son, and Holy Spirit...

Our Lord Jesus Christ , God manifest in the flesh, His virgin birth, His sinless human life, His divine miracles, His vicarious and atoning death, His bodily resurrection, His ascension, His mediatorial work, and His Personal return in power and glory...

The Salvation of lost and sinful man through the shed blood of the Lord Jesus Christ by faith apart from works, and regeneration by the Holy Spirit...

The Holy Spirit , by whose indwelling the believer is enabled to live a holy life, to witness and work for the Lord Jesus Christ...

The Unity of the Spirit of all true believers, the Church, the Body of Christ...

The Resurrection of both the saved and the lost; they that are saved unto the resurrection of life, they that are lost unto the resurrection of damnation.

Anthropology and headline goal of the pedagogic concept

Headline goal

Accompany the children to be independent thinking people, independent people who feel the desire in itself, to question things, to help others and to be responsible for their environment. with the knowledge that the Almighty Triune God accompanies it, who wants a personal relationship with them .

Anthropology

Man is a creative, always learning and extended-life social interaction nature.

Young children can and want to learn especially!

They want to know: Wherefore something is. This Question has to be asked mostly in the lessons!!!

Applaud the student achievements!

Students know what they can not, teach them what they can!

Offer them possibilities to develop and discover theirs strengths!

Working with real role models!

Let them have a dream and answer their questions!

USE OF THE ICS-CONCEPT: OBLIGATIONS

The member school has to use the concept as their school concept. Some variations are possible. ICS beware the right to review the use of the concept. After talks and setting of transition periods has ICS the right to notice the membership.
